TCHA will recognize their sponsors on the website, social media, and event shout-outs. Last year our local sponsors supported our High Point Awards that recognized 3 exhibitors in Speed Event divisions and 5 exhibitors in Halter/Pleasure divisions. TCHA offers the local equine community an opportunity to show and compete locally, build friendships, and participate in events that go beyond the show pen. Exhibitors have built a commitment to their equine partner, parents, trainers/coaches, team, and local rural equine community. TCHA and its members would like to thank our sponsor for supporting events, recognizing our exhibitors commitment to supporting equine local shows, and giving back to our local community.

In highest regards,
